SKILLS

PROGRAMMING LANGUAGES:

- Python
- SQL

LIBRARIES:

- Pandas
- Numpy
- Scikit-learn
- Tensorflow

TOOLS:

- Power BI
- GIT
- Streamlit

LANGUAGES

- English (Read, Write, Speak)
- Tamil (Native)

HOBBIES

- Exploring AI tools
- Drawing
- Reading books
- Badminton

CAREER OBJECTIVE

I am an AI and Data Science student with a strong desire to solve real-world problems using technology. My curiosity and creativity drive me to explore intelligent systems that are both effective and human-centered. I am particularly interested in opportunities that combine innovation, ethical AI, and hands-on learning through practical programs.

EDUCATION

B.Tech-Artificial Intelligence & Data Science   2022- 2026
Jerusalem College of Engineering ,Chennai
GPA: 8.24/10 till 4th sem

HSC   2021 - 2022
Sri Jayeandra Saraswathy Vidyaalayaa D J Matric
Hr Sec School ,Villupuram
Percentage :85%

SSLC   2019 - 2020
Sri Jayeandra Saraswathy Vidyaalayaa D J Matric
Hr Sec School ,Villupuram
Percentage :80.6%

PROJECTS

Mini Project: Smart AI Outpass and Psychology Chatbot

Objectives:

- The project aims to build an AI-powered web app for hostel outpass management.
- It automates the approval process and reduces manual workload.
- A built-in psychological chatbot supports student mental health.

CERTIFICATION

- Udemy-Machine Learning
- OfficeMaster-PowerBI
- Forage (by accenture) -Data Analytics and Visualization
- SkillsUP- Introduction to Artificial Intelligence
- Forage(by BCG X) -Data Science Job Simulation
